Ongoing Contributor (hereafter "You") agree that the following terms and conditions shall apply to all Ongoing Contributions made after execution of this Agreement. A Contribution is created by one or more "Authors". A "Contribution" is defined as all source code and related material delivered by You to IBM for incorporation into the ICU Open Source Project and accepted by IBM, the ICU Open Source Project including, for example, ICU4C, ICU4J and ICU4JNI packages.

Authors. You, the Contributor, are providing IBM with this Author form, listing one or more Authors. You agree to ensure that all of these Authors agree to adhere to the terms of the associated Joint Copyright Assignment by Ongoing Contributor Agreement. You may obtain Contributions from these Authors, and such Contributions may be aggregated into a Contribution that You contribute. IBM may grant one or more of these Authors commit privilege. Any code incorporated into the ICU source code by one of your committer Authors will be counted as part of Your Contribution under this agreement.
